### Culture

Everybody's assumptions, beliefs, values, core values and behaviours, actions of each member of the team in pursuit of our company goals, big hairy audacious goals, mission.

### Why it matters?

\* First Principles.

\* Alignment.

\* Stability.

\* Trust.

\* Exclusion.

\* Retention.

\* Allows you to retain the right employees and the more important growth.

### CORE VALUE WORKSHEET

- 1) As the leader, what personal values are most important to you?
- 2) What are the most important values for business success?
- 3) What values will you look for in employees?
- 4) What could never be tolerated? (consider the opposite as values)
- 5) Remember to incorporate your mission into your core value.

☐ credible.

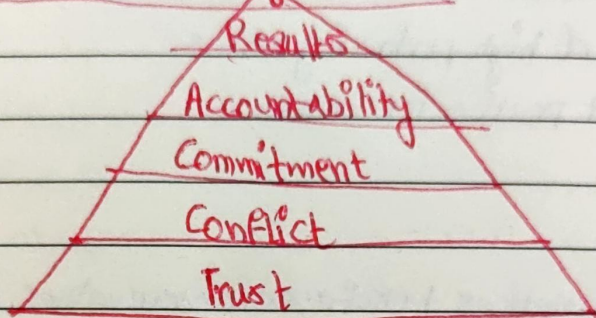

☐ Uniquely tied to your mission.

- \* Honesty
- \* Integrity
- \* Service
- \* Team work

Book Recommendation :-  
The five dysfunctions of a team.

### ELEMENTS OF HIGH PERFORMING TEAMS

- 1) Incorporate your mission to your values.
- 2) Performance = Think harder deeper, longer about values.
- 3) Interview for culture fit.
- 4) Evaluate performance of culture as well.
- 5) make it a daily habit.

Culture  
 should be  
 awesome.

- \* You have to build a team and a company.
- \* You have to make your game to be with them.
- \* Shared way to think about the companies.

There should be three to four things that are different for you as compared with others.

- \* Diversity of beliefs, not for the values of a specific company.

\* You champion the mission by following the mission.

② Creative and frugal;

⇒ Putting up the credit cards.

⇒ Be more creative in whatever you are doing.

CEREAL  
ENTREPRENEUR

\* No one tells you about telling the culture.

\* Culture doesn't pay off in the short term.

\* Really about building the company you stand for.

\* Constantly repeat over and over again?

Person is  
meant to  
hire the best  
people.

⇒ Missionaries VS mercenaries.

Branding

⇒ Promise outside the company is something and is the way through which the customers about them.

\* Connection of you with your customers.

THINK DIFFERENT  
CAMPAIGN

\* Focus on the problem and think about them.

\* Make the people feel special.

\* Articulate the vision, the right strategy, and reinforcing the values.

⇒ Superhost program

\* Open culture and the idea of shared world.

\* Open source engineering.

\* Strong identification of the team.

\* Have a certain technology that only you can use.

How did users come?

\* It's better to have a 100 people that love you rather than a vulnerable mono.

\* If you get a 100 people that love you, you can scale the people.

⇒ The perfect experience to one person would eventually grow you out at a longer goal and perspectives.

\* Companies that have the monopolies.
